

Become an INTERNATIONAL ASSOCIATE of The Australian Association of Mathematics Teachers Inc.

The Australian Association of Mathematics Teachers is Australia's premier organisation of mathematics educators. The association aims to: support and enhance the work of teachers; promote the learning of mathematics; and represent and promote interests in mathematics education.

It is a federation of eight associations of teachers of mathematics from all Australian States and Territories and has approximately 5000 individual and institutional members.

For more information about the association and its activities, please see www.aamt.edu.au.

What do you get?

By becoming an *international associate*, you will be able to download (as Adobe Acrobat pdf) current copies for that year of:

- *Australian Primary Mathematics Classroom* (40 page journal, focussing on primary mathematics education, 4 issues annually)
- *The Australian Mathematics Teacher* (40 page journal focussing on secondary mathematics education, 4 issues annually)
- *Australian Senior Mathematics Journal* (64 page journal, focussing research and mathematics education issues relevant to senior secondary and above, 2 issues annually)

You can also download AAMT's newsletter *Highest Common Factor*, will receive regular email bulletins from AAMT and will also receive member's prices (20% discount) on any goods or services offered by AAMT.

For a small additional fee, you can also choose to have hard copies of journals posted to you.

To become an *international associate* of AAMT, please complete the following details and fax, post or email this form to the AAMT Office (see below). For more information, please contact the AAMT Office.

Please note that you cannot become an international associate if you reside in Australia.

Prices are in Australian dollars (AUD).
